

Professionalism

*Annual Business Program of the Conference of County Court Judges
July 24, 2003*

Presented by:
The Honorable Joseph P. Farina
Chief Judge, Eleventh Judicial Circuit
Miami

LEARNING OBJECTIVES

- Identify the opinions of judges throughout the state regarding professionalism issues.
- Discuss how opinions regarding professionalism issues vary by leading demographic factors.
- Determine whether your individual opinions regarding professionalism issues coincide with the majority point of view of judges statewide.
- Determine whether the majority point of view of judges statewide regarding professionalism issues compares favorably with the majority point of view of attorneys statewide.
- Compare and contrast Florida judge opinions regarding professional issues with opinions from judges from other states.
- Compare and contrast traditional opinions regarding professionalism issues based on statewide demographic and geographic factors.
- Identify which professionalism issues are very important, somewhat important, and less important to the judiciary statewide.
